- B. Resolution No. 15-25: Demands and Warrants for October 2015
- C. Preliminary Financial Statement for the month of September 2015
- D. Quarterly Financial Review of the General Fund Operations as of September 30, 2015
- E. Award of Bid for the Civic Center Park Project

2. Discussion – October Legislative Update

The City Council will receive an update on the 2015 State and Federal legislative sessions. In April 2014 the City approved a legislative platform on issues deemed important to the City. The City Council has also requested to review the process by which letters of support or opposition are sent related to the legislative platform.

3. Discussion – Woodlyn Lane and Mount Olive Drive Drainage Improvements

The runoff from Mount Olive Drive upstream of Woodlyn Lane is channeled on the roadway surface and is directed down Woodlyn Lane past the private gates. There are no catch basins in the area to collect the surface runoff. There is a catch basin at the bottom of El Cielo Lane at its intersection with Woodlyn Lane, however, it is located in such a manner that the surface runoff from Mount Olive Drive does not enter the storm drain at this location. Thus, the result is an increased amount of surface runoff that continues westerly on Woodlyn Lane until it reaches the next downstream catch basin where it is finally collected into the storm drain. The City Council will consider the proposed drainage improvements at the intersection of Woodlyn Lane and Mount Olive Drive. It is recommended that the City Council provide further direction to staff.

4. Discussion – Award of Bid – Mount Olive Drive Sewer Extension Phase II

Bids for the Mount Olive Drive Sewer Extension Project Phase II were opened on September 24, 2015 with Ramona, Inc. being the lowest responsible bidder. It is recommended that the City Council provide further direction to staff.

5. Discussion –Development in Bradbury
