American Red Cross

Bradbury Offering First Aid/CPR/AED Training

Are you equipped to handle the situation if a family member was choking? In the event of a disaster, do you know how to treat basic health issues like broken arms or how to stop bleeding? If you cannot confidently answer “Yes” to these questions, then you would be an ideal candidate for First Aid & CPR training! The Bradbury Emergency Response Committee will be hosting a 6-hour American Red Cross certified training. This course will take place over two evening classes: Thursday, February 21st and Thursday 28th. Both will take place from 6:30pm – 9:00pm in the Bradbury Civic Center.

This training will cost you roughly \$90 at other locations. However, the Bradbury Emergency Response Committee is offering this class for only \$55. Fees include training from a certified American Red Cross Instructor in First Aid, AED and Adult CPR. Students will receive materials to use in class, books to take home, and official American Red Cross certification.

Space is limited to first come, first serve so register now!

Historical Bradbury Photos Wanted

Much of Bradbury’s charm and beauty rests in the preservation of its rural character surrounded by a suburban San Gabriel Valley. The City is seeking to preserve the story of Bradbury by putting together a historical collection of Bradbury and we need your help!

The City is looking for photos or other materials related to Bradbury’s history that we can display on the walls of the Civic Center. The City is **not** looking to maintain originals of these items but is happy to make copies and return the items to their owners. If you have something you’d like to share with the project or if you’d like to volunteer to help out, please contact Kevin Kearney at 626-358-3218 or email him at KKearney@cityofbradbury.org.
