Welcome to Bradbury

JULY 2017

Bradbury Hazard Mitigation Plan

The City of Bradbury's Hazard Mitigation Plan draft is available for review on the City website.

So that you are aware, the Hazard Mitigation Plan provides guidance on mitigating possible disasters, such as earthquakes, wildfire, mudslides, and other major disasters. Disasters can result in loss of life, property and infrastructure. In order to prevent or lessen the loss caused by disasters, the Hazard Mitigation Plan helps communities by assessing vulnerabilities and identifying actions to reduce those risks.

The City of Bradbury invites residents to read and review the Hazard Mitigation plan and provide feedback.

The plan can be found on the city website at: Cityofbradbury.org

Inside this issue

60 Years of Incorporation!

In July 26, 1957, the City of Bradbury was founded to preserve its rural tranquility. As neighboring cities saw population increases and major developments, the residents of Bradbury wanted to preserve the calmness of their area.

After 60 years Bradbury still maintains its rural feel, and open space!

The City will celebrate its incorporation on August 1, 2017 as part of National Night Out.

More information will be provided soon!

Fourth of July & Firework Safety

The use of Fireworks are often a part of special times like the 4th of July and New Year's Eve but they can be dangerous. Whenever you celebrate, learn how to protect yourself and those you care about from fireworks-related injuries. The risk of injury or death is greater when using any type of fireworks. Even fireworks labeled as "Safe and Sane" can burn you, or even kill you. Fireworks account for two out of five fires, more than any other cause of fires.

As a Reminder, All Fireworks are Prohibited in the City of Bradbury!

Illegal Fireworks

Crime Prevention

Unfortunately, the areas covered by Temple Station experience a wide variety of criminal matters that range from residential burglaries, vehicle thefts, vehicle burglaries, telephone scams, and robberies, among others. We want to remind residents to report suspicious activity. ***If you see something, say something.*** Call 9-1-1 or Temple Station at (626)285-7171 to report suspicious activity.

If you are leaving for summer vacation, Temple Station personnel can conduct "vacation checks" of your home while you are away. Simply call Temple Station (626-285-7171) and ask for the Watch Deputy. Let the Watch Deputy know you will be leaving for vacation and would like "vacation checks" while you are away. The Watch Deputy will ask for your address, dates you will be away, and a contact name/phone number in case of an emergency. While you are away, Deputies and Volunteers will make periodic checks of your residence. Also while you are away, you should arrange to have a trusted friend or relative pick up your mail and newspapers, so they are not piling up. They can become a sign to potential criminals that no one is home.
