CITY HALL CLOSURES

Due to holidays and the First Friday closures City Hall will not be opened:

☆ Friday, July 4 for Independence Day

During these closure periods, resources can be found on the City's website at www.cityofbradbury.org.

Fourth of July & Firework Safety

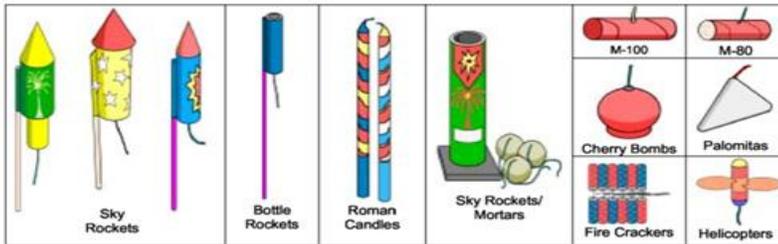

Fireworks are often a part of special times like the 4th of July and New Year's Eve but they can be dangerous. Whenever you celebrate, learn how to protect yourself and those you care about from fireworks-related injuries. The risk of injury or death is greater when using any type of fireworks. Even fireworks labeled as "Safe and Sane" can burn you, or even kill you. Fireworks account for two out of five fires, more than any other cause of fires.

Fireworks are Prohibited in the City of Bradbury !

Illegal Fireworks

Any item that explodes, rises in the air, moves about the ground, or which are not approved and labeled "Safe and Sane" by the State Fire Marshal, is illegal in California.
